Appendix I - Bullying Report Form

1. Statement of intent

St. Theresa's Catholic Primary School (St. Theresa's / school / we) believes that all pupils are entitled to learn in a safe and supportive environment; this means being free from all forms of bullying behaviour. This policy outlines how instances of bullying are dealt with, including the procedures to prevent occurrences of bullying.

These strategies, such as learning about tolerance and difference as part of the school's curriculum, aim to promote an inclusive, tolerant and supportive ethos at the school.

The Education and Inspections Act 2006 outlines several legal obligations regarding the school's response to bullying. Under section 89, schools must have measures in place to encourage good behaviour and prevent all forms of bullying amongst pupils. These measures are part of the school's Behaviour Policy, which is communicated to all pupils, school staff and parents / carers.

All staff, parents / carers and pupils work together to prevent and reduce any instances of bullying at the school. There is a zero-tolerance policy for bullying at the school.

2. Legal Framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Education and Inspections Act 2006
- Equality Act 2010
- Protection from Harassment Act 1997
- Malicious Communications Act 1988
- Public Order Act 1986
- Communications Act 2003
- Human Rights Act 1998
- Crime and Disorder Act 1998
- Education Act 2011
- DfE (2017) 'Preventing and tackling bullying'
- DfE (2021) 'Sexual violence and sexual harassment between children in schools and colleges'
- DfE (2018) 'Mental health and wellbeing provision in schools'
- DfE (2023) 'Keeping children safe in education'
- DfE (2020) 'Sharing nudes and semi-nudes: advice for education settings working with children and young people'

3. Definitions

For the purpose of this policy, "bullying" is defined as persistent behaviour by an individual or group with the intention of verbally, physically, or emotionally harming another person or group. Bullying is generally characterised by:

- **Repetition:** Incidents are not one-offs; they are frequent and happen over an extended period of time.
- **Intent:** The perpetrator means to cause verbal, physical or emotional harm; it is not accidental.
- **Targeting:** Bullying is generally targeted at a specific individual or group.

- **Power imbalance:** Whether real or perceived, bullying is generally based on unequal power relations.

Vulnerable pupils are more likely to be the targets of bullying due to the attitudes and behaviours some young people have towards those who are different from themselves. Vulnerable pupils may include, but are not limited to:

- Pupils who are adopted or in care.
- Pupils suffering from a health problem.
- Pupils with caring responsibilities.
- Pupils from socioeconomically disadvantaged backgrounds.

Pupils with certain characteristics are also more likely to be targets of bullying, including, but not limited to:

- Pupils who are LGBTQ+, or perceived to be LGBTQ+.
- Black, Asian and minority ethnic (BAME) pupils.
- Pupils with Special Educational Needs and Disability (SEND).

4. Types of bullying

Many kinds of behaviour can be considered bullying, and bullying can be related to almost anything. Teasing another pupil because of their appearance, religion, ethnicity, gender, sexual orientation, home life, culture, or SEND are some of the types of bullying that can occur.

Bullying is acted out through the following mediums:

- Verbal
- Physical
- Emotional
- Online (cyberbullying)

Racist bullying: Bullying another person based on their ethnic background or skin colour. Racist bullying is a criminal offence under the Crime and Disorder Act 1998 and Public Order Act 1986.

Homophobic and biphobic bullying: Bullying another person because of their actual or perceived sexual orientation.

Transphobic bullying: Bullying based on another person's gender identity or gender presentation, or for not conforming to dominant gender roles.

Sexist bullying: Bullying based on sexist attitudes expressed in a way to demean, intimidate or harm another person because of their sex or gender. Sexist bullying may sometimes be characterised by inappropriate sexual behaviours.

Sexual bullying: Bullying behaviour that has a physical, psychological, verbal or non-verbal sexual dimension or dynamic that subordinates, humiliates or intimidates another person. This is commonly underpinned by sexist attitudes or gender stereotypes.

Ableist bullying: Bullying behaviour that focusses on another person's disability or support needs; this can include mocking the individual's disability or their needs, using derogatory words or slurs in relation to an individual's disability, or deliberately excluding an individual because of their disability.

Prejudicial bullying: Bullying based on prejudices directed towards specific characteristics or experiences, e.g. religion or mental health issues.

Relational bullying: Bullying that primarily constitutes of excluding, isolating and ostracising someone – usually through verbal and emotional bullying.

Socioeconomic bullying: Bullying based on prejudices against the perceived social status of the victim, including, but not limited to, their economic status, their parents' / carers' occupations, their health or nutrition level, or the perceived "quality" of their clothing or belongings.

5. Roles and responsibilities

The Governing Body is responsible for:

- Evaluating and reviewing this policy to ensure that it does not discriminate against any pupils on the basis of their protected characteristics or backgrounds.
- The overall implementation and monitoring of this policy.
- Ensuring that all governors are appropriately trained regarding safeguarding and child protection at induction.
- Ensuring that the school adopts a tolerant and open-minded policy towards difference.
- Ensuring the school is inclusive.
- Analysing any bullying data to establish patterns and reviewing this policy in light of these.
- Ensuring the DSL has the appropriate status and authority within the school to carry out the duties of the role.
- Appointing a safeguarding link governor who will work with the Designated Safeguarding Lead (DSL) to ensure the policies and practices relating to safeguarding, including the prevention of cyberbullying, are being implemented effectively.
- Ensuring that pupils are taught how to keep themselves and others safe, including online.

The Headteacher is responsible for:

- Reviewing and amending this policy, accounting for new legislation and government guidance, and using staff experience of dealing with bullying incidents in previous years to improve procedures.
- Keeping a Bullying Report Form (see Appendix I) of all reported incidents, including which type of bullying has occurred, to allow for proper analysis of the data collected.
- Reporting to the Governors Wellbeing Committee, on a termly basis, incidents of bullying and outcomes.
- Monitoring the results and recordings of bullying incidents (including 'nil' returns), the data of which shall inform policy review and will be communicated to Governors.
- Arranging appropriate training for staff members.

All staff are responsible for:

- Being alert to social dynamics.
- Applying the Good to be Green system consistently.
- Being available for pupils who wish to report bullying.
- Providing follow-up support after bullying incidents.
- Being alert to possible bullying situations, particularly exclusion from friendship groups
- Refraining from stereotyping when dealing with bullying.

- Understanding the composition of pupil groups, showing sensitivity to those who have been the victims of bullying.
- Reporting any instances of bullying once they have been approached by a pupil for support.

Parents /carers are responsible for:

- Supporting their children and working in partnership with the school.
- Informing their child's teacher if they have any concerns that their child is the victim of bullying or involving in bullying in anyway.
- Being watchful of their child's behaviour, attitude and characteristics and informing the relevant staff members of any changes.

Pupils are responsible for:

- Informing a member of staff if they witness bullying or are a victim of bullying.
- Not making counter-threats if they are victims of bullying.
- Walking away from dangerous situations and avoiding involving other pupils in incidents.
- Keeping evidence of cyberbullying and informing a member of staff should they fall victim to cyberbullying.

This policy shall be available to present and prospective parents. Parents' opinion shall be sought as how best we can ensure that all parents know what measures are being taken to prevent bullying, as well as how incidents are responded to.

6. Statutory Requirements

The school understands that, under the Equality Act 2010, it has a responsibility to:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the act.
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
- Foster good relations between people who share a protected characteristic and people who do not share it.

The school understands that, under the Human Rights Act (HRA) 1998, it could have charges brought against it if it allows the rights of pupils to be breached by failing to take bullying seriously. The Headteacher will ensure that this policy complies with the HRA; the Headteacher understands that they cannot do this without fully involving their teaching staff.

Although bullying itself is not a criminal offence, some types of harassment, threatening behaviour and/or communications may be considered criminal offences:

- Under the Malicious Communications Act 1988, it is an offence for a person to electronically communicate with another person with the intent to cause distress or anxiety, or in a way which conveys a message which is indecent or grossly offensive, a threat, or contains information which is false and known or believed to be false by the sender.
- The Protection from Harassment Act 1997 makes it an offence to knowingly pursue any course of conduct amounting to harassment.

- Section 127 of the Communications Act 2003 makes it an offence to send, by means of a public electronic communications network, a message, or other matter, that is grossly offensive or of an indecent, obscene or menacing character. It is unlawful to disseminate defamatory information through any media, including internet sites.
- Other forms of bullying which are illegal and should be reported to the police include violence or assault, theft, repeated harassment or intimidation, and hate crimes.

7. Prevention

The school will clearly communicate a whole-school commitment to addressing bullying and have a clear set of values and standards which will be regularly promoted across the whole school.

All members of the school will be made aware of this policy and their responsibilities in relation to it. All staff members will receive training on identifying and dealing with the different types of bullying.

All types of bullying will be discussed as part of the relationships and health education curriculum, in line with the Primary Relationships and Health Education Policy.

This curriculum will explore and discuss issues at age-appropriate stages such as:

- Healthy and respectful relationships.
- Boundaries and consent.
- Stereotyping, prejudice and equality.
- Body confidence and self-esteem.
- How to recognise abusive relationships and coercive control.
- Harmful sexual behaviour, the concepts involved and why they are always unacceptable, and the laws relating to it.

Staff will encourage pupil co-operation and the development of interpersonal skills using group and pair work. Diversity, difference and respect for others will be promoted and celebrated through various lessons. Opportunities to extend friendship groups and interactive skills will be provided through participation in special events, e.g. drama productions, sporting activities etc.

Seating plans will be organised and altered in a way that prevents instances of bullying. Potential victims of bullying will be placed in working groups with other pupils who do not abuse or take advantage of others.

The school will ensure potential perpetrators are given support as required, so their educational, emotional and social development is not negatively influenced by outside factors, e.g. mental health issues.

8. Signs of bullying

Staff will be alert to the following signs that may indicate a pupil is a victim of bullying:

- Being frightened to travel to or from school
- Unwillingness to attend school
- Repeated or persistent absence from school
- Becoming anxious or lacking confidence
- Saying that they feel ill repeatedly
- Decreased involvement in school work

- Leaving school with torn clothes or damaged possessions
- Missing possessions
- Asking for extra money or stealing
- Cuts or bruises
- Lack of appetite
- Unwillingness to use the internet or mobile devices
- Lack of eye contact
- Becoming short tempered
- Change in behaviour and attitude at home

Although the signs outlined above may not be due to bullying, they may be due to deeper social, emotional or mental health issues, so are still worth investigating. Pupils who display a significant number of these signs will be approached by a member of staff to determine the underlying issues causing this behaviour.

Staff will be aware of the potential factors that may indicate a pupil is likely to exhibit bullying behaviours, including, but not limited to, the following:

- They have experienced mental health problems, which have led to them becoming more easily aggravated
- They have been the victim of abuse
- Their academic performance has started to fall and they are showing signs of stress

If staff become aware of any factors that could lead to bullying behaviours, they will notify the pupil's class teacher, who will investigate the matter and monitor the situation.

9. Staff Principles

The school will ensure that prevention is a prominent aspect of its anti-bullying vision.

Staff will treat reports of bullying seriously and will not ignore signs of suspected bullying. Staff will act immediately when they become aware of a bullying incident. Unpleasantness from one pupil towards another will always be challenged and will never be ignored.

Staff will always respect pupils' privacy, and information about specific instances of bullying is not discussed with others, unless the pupil has given consent, or there is a safeguarding concern. If a member of staff believes a pupil is in danger, e.g. of being hurt, they will inform the Designated Safeguarding Lead (Barbara Costa) immediately.

Follow-up support will be given to both the victim and perpetrator in the months following an incident to ensure all bullying has stopped.

10. Child on Child abuse

Please see the Child Protection and Safeguarding Policy.

11. Cyber-bullying

Please see the Online Safety Policy

12. Procedures

Minor incidents will be reported to the victim's class teacher, who will investigate the incident and set appropriate sanctions for the perpetrator, and inform a member of the Senior Leadership Team of the incident and outcome.

When investigating a bullying incident, the following procedures will be adopted:

- The victim, alleged perpetrator and witnesses are all interviewed separately
- Members of staff ensure that there is no possibility of contact between the pupils being interviewed, including electronic communication
- If a pupil is injured, members of staff take the pupil immediately to a first aider for a medical opinion on the extent of their injuries
- A room is used that allows for privacy during interviews
- A witness is used for serious incidents
- If appropriate, the alleged perpetrator, the victim and witnesses are asked to write down details of the incident; this may need prompting with questions from the member of staff to obtain the full picture
- The Headteacher will gather evidence of a cyberbullying incident; this may involve text messages, emails, photos, etc. provided by the victim
- Premature assumptions are not made, as it is important not to be judgemental at this stage
- Members of staff listen carefully to all accounts, being non-confrontational and not assigning blame until the investigation is complete
- All pupils involved are informed that they must not discuss the interview with other pupils

Due to the potential for some specific forms of bullying to be characterised by inappropriate sexual behaviour, staff members involved in dealing with the incident are required to consider whether there is a need for safeguarding processes to be implemented.

13. Sanctions

If the Headteacher is satisfied that bullying did take place, the perpetrator will be helped to understand the consequences of their actions and warned that there must be no further incidents. The Headteacher will inform the perpetrator of the type of sanction to be used in this instance, e.g. red card, internal exclusion etc. and future sanctions if the bullying continues.

If possible, the Headteacher will attempt reconciliation and will obtain an apology from the perpetrator. This will either be in writing to the victim, and/or witnesses if appropriate, or face-to-face, but only with the victim's full consent. Discretion will be used here; victims will never feel pressured into a face-to-face meeting with the perpetrator.

Parents are informed of bullying incidents and what action is being taken.

All staff involved in managing instances of bullying will be aware that taking disciplinary action and providing support are not mutually exclusive actions, and should be conducted simultaneously to encourage more positive behaviour in future.

The school will avoid unnecessarily criminalising pupils for bullying or abusive behaviour where possible, as young people with criminal records face stigma and discrimination in future aspects of their lives. The school's focus when handling perpetrators will be supporting them to develop more positive behaviours and to refrain from abusive and bullying behaviours in the future.

The teacher informally monitors the pupils involved over the next half-term.

The school will remain cognisant of the fact that continued access to school can be important for rehabilitation of harmful behaviour, and will not exclude pupils unless as a last resort – where there have been serious or consistent incidents of bullying, the school may consider suspension and/or exclusion.

14. Support

In the event of bullying, victims will be offered the following support:

- Emotional support and reassurance from the school
- Reassurance that it was right to report the incident and that appropriate action will be taken
- Liaison with their parents / carers to ensure a continuous dialogue of support
- Advice not to retaliate or reply, but to keep the evidence and show or give it to their parent / carer or a member of staff
- Advice on aspects of online safety, in the event of cyberbullying, to prevent re-occurrence, including, where appropriate, discussion with their parents / carers to evaluate their online habits and age-appropriate advice on how the perpetrator might be blocked online
- Discussion with their parent / carer on whether police action is required (except in serious cases of child exploitation or abuse where the police may be contacted without discussion with parents / carers)
- Referral to counselling agencies where appropriate

The Headteacher will carefully consider in each instance of bullying that is handled whether it is appropriate to split up the victim(s) and perpetrator(s), e.g. preventing them sharing classes or spaces where possible, and will split up other harmful group dynamics to prevent further occurrences where necessary. Victims will be encouraged to broaden their friendship groups by joining lunchtime or after-school clubs or activities.

The school will acknowledge that bullying may be an indication of underlying mental health issues. Perpetrators may be required to attend counselling to assist with any underlying mental health or emotional wellbeing issues. The school will work with the perpetrator regarding any underlying mental health or emotional wellbeing problems.

15. Follow up support

The progress of both the perpetrator and the victim will be monitored by their class teachers. One-on-one sessions to discuss how the victim and perpetrator are progressing may be appropriate.

Pupils who have been bullied will be offered continuous support. A member of the Senior Leadership Team will hold a formal meeting, on a monthly basis, to check whether the bullying has stopped – these formal meetings will continue to take place once a month until the senior leader and victim are confident the bullying has stopped. The victim will be encouraged to tell a trusted adult in school if bullying is repeated.

Pupils who have bullied others will be supported in the following ways:

- Receiving a consequence for their actions
- Being able to discuss what happened

- Being helped to reflect on why they became involved
- Being helped to understand what they did wrong and why they need to change their behaviour
- Appropriate assistance from parents / carers

Pupils who have been bullied will be assessed on a case-by-case basis and the DSL will, if necessary, refer the victim of bullying to CAMHS.

In cases where the effects of bullying are so severe that the pupil cannot successfully reintegrate back into the school, the Headteacher and DSL will look to transfer the pupil to another mainstream school with the consent and involvement of the pupil's parents / carers.

Where a pupil who has been the victim of bullying has developed such complex needs that alternative provision is required, the pupil, their parents / carers, the Headteacher and DSL will meet to discuss the use of alternative provision.

16. Bullying outside of school

Staff will remain aware that bullying can happen both in and outside of school, and will ensure that they understand how to respond to reports of bullying that occurred outside school in line with the Child Protection and Safeguarding Policy.

The Headteacher has a specific statutory power to discipline pupils for poor behaviour outside of the school premises. Section 89(5) of the Education and Inspections Act 2006 gives the Headteacher the power to regulate pupils' conduct when they are not on school premises, and therefore, not under the lawful charge of a school staff member.

Teachers have the power to discipline pupils for misbehaving outside of the school premises. This can relate to any bullying incidents occurring anywhere off the school premises, such as on school or public transport, outside the local shops, or in a town centre.

Where bullying outside school is reported to school staff, it may be investigated and acted upon. In all cases of misbehaviour or bullying, members of staff can only discipline the pupil on school premises, or elsewhere when the pupil is under the lawful control of the member of staff, e.g. on a school trip.

The Headteacher is responsible for determining whether it is appropriate to notify the police of the action taken against a pupil. If the misbehaviour could be of a criminal nature, or poses a serious threat to a member of the public, the police will be informed.

17. Record Keeping

The DSL will ensure that robust records are kept with regard to all reported or otherwise uncovered incidents of bullying – this includes recording where decisions have been made, e.g. sanctions, support, escalation of a situation and resolutions.

The Headteacher and DSL will ensure that all decisions and actions recorded are reviewed on a regular basis for the purposes of:

- Identifying patterns of concerning, problematic or inappropriate behaviour on the part of certain pupils that may need to be handled, e.g. with pastoral support.
- Reflecting on whether cases could have been handled better and using these reflections to inform future practice.

- Considering whether there are wider cultural issues at play within the school, e.g. whether school culture facilitates discriminatory bullying by not adequately addressing instances, and planning to mitigate this.
- Considering whether prevention strategies could be strengthened based on any patterns in the cases that arise.
- Responding to any complaints about how cases have been handled.
